

43-114
KNEE SAVER KNEE PADS

ECO**PAK**

THE FOAM RUBBER KNEE PADS WITH KNEE PIT SAVER STRAPS BUILT IN.

- Specially formulated foam rubber for extra softness and comfort.
- Mesh tread design offers superb traction on any surface.
- Ergonomic concave design keeps pads from sliding or riding up while offering true shin and thigh comfort when standing.
- Built-in Knee Pit Savers (**PART N° 43-109**) prevent pressure and chafing from leather straps and have air holes for breathability.
- Recyclable packaging.
